

Class Descriptions

Pilates-Style – Amy Hinkley

Low-impact exercise and stretching designed to tone and lengthen the muscles. Includes constant core engagement.

Vinyasa Yoga – Jessi Cole

This class engages the mind, body, and spirit, using shorter-held positions. The movements in this class are tied together with your breaths. Modifications given for all fitness levels.

Slow Flow Yoga – Jessica Durham

Strengthening and deep stretching the body while moving to a slower rhythm of movement. A smooth movement (flow) of poses that run together and become like a dance. Let the slow flow of movement and stillness nourish your body and soul. Come find some peace.

Circuit Training – Alicia Fry

This class is for the beginner to the advanced. Each station in the circuit is designed to challenge your body to the max. Expect to work hard and have a lot of fun.

Myofascial Release (MFR) – Alicia Fry

Learn how to use gentle, sustained pressure and stretching to relax and release tight muscles and fascia. This deeply relaxing class will end with breath work and mindfulness.

ZUMBA Fitness – Ya Barry

Dance Fitness classes that are fun & energetic!! A total workout, combining all elements of fitness – cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

Barre Sculpt– Kayla Williamson

Tone and sculpt multiple muscle groups with this ballet-inspired Barre workout that incorporates Pilates and Yoga. By holding, pulsing, and stretching, you will elongate, lift, and sculpt the entire body

Strength & Cardio Conditioning – Shawn Snyder

A hybrid interval class involving resistance training, core training, and cardiovascular training.

SCUPLT – Alicia Fry

Use low impact, functional strength training to sculpt and tone a stronger, leaner body. Expect to see lunges, squats, push-ups, and planks in a whole new way. This is an intermediate to advanced class.

KickHIIT – Alicia Fry

Kickboxing moves taught in a High Intensity Interval Training style (HIIT). Expect a lot of punching, kicking, and a great workout!

Cycle/Spin – Kathy Vrana, Lisa Cowen & Kayla Williamson This great cardio journey uses stationary bikes. You will jump, climb, and sprint your way to great health while listening to motivational music. This is interval training at its best.

Step it up – Cindy Kaczmarczyk

A variety of consistent body/muscle mass movements that incorporates a bench apparatus and the floor, to achieve a cardio/fat burning workout. This class is held in the gym to allow for a more free range of movement. You create new brain cells-the eyes that signal to the brain which makes that body move into steps that you can take to the dance floor, all in a group environment.

Tone – Cindy Kaczmarczyk

A variety of repeating activity that tone the arms, legs, abs, back and glute muscles through the use of your own body weight, hand weights, bands and/or balls. This class will engage your fast-twitch muscle fibers. Core isometrics, body balance, and heart conditioning will be used as well. Your heart rate increase with easy-to-follow exercises, followed by a recovery period where your heart will drop back down.

P90X Live – Rachael Wells

P90X LIVE is a total-body cardio and strength training class that uses body weight as well as dumbbells, barbells, weight plates, and resistance tubing. P90X is known for achieving that body transformation you're waiting for. Each workout can be modified to accommodate a wide range of fitness levels and abilities, but must have basic knowledge of proper workout form (ie: how to do a squat, lunges, etc.) Come ready to sweat!

Deep Water Aerobics – Norma Warren

This class will take place in the deep end (6ft) of our pool. Aqua belts are used to help you float while performing a variety of cardio and resistance training moves.

Warm Water Aerobics – Britney Mendez

This class, like water aerobics, uses the natural resistance and buoyancy of water against your body to provide a full body workout. This class is done in the therapy pool, which helps keep your joints warm and eases the pain of common conditions such as arthritis.

Water Aerobics – Jim Borer, Stephanie Kersten, Rachael Barry, Candy Boyer

Water aerobics uses the natural resistance and buoyancy of water against your body, along with light water weights, to provide a wide variety of conditioning activity. No swimming is required.

Warm Water Aqua Yoga – Rachael Barry

Yoga techniques practiced in the water. You will develop better balance, joint health, strength, focus and calmness of the mind. All while gaining greater fluidity in movement. Breath awareness will be emphasized.
